Prayer is a deeply personal experience. It’s the very source of our spiritual strength and the place where we enter into that most sacred of conversations with our creator in the secret place.

The Anglican Rosary (AR) has gained much momentum in recent years and has indeed become a foundation for prayer with many people. The AR was created as a tool to help in that very scared of conversation. Its very presence can help to aid the prayer process for those who feel that they need structure to help “kick start” the conversation and those who are not used to free flowing prayer.

It uses the focused, meditative prayer style of the traditional rosary and the Orthodox prayer rope, but encourages a wider range of prayers. It’s a simple form of prayer available to all of God’s children, and is a way of allowing God’s word to sink deeply into the soul and become prayer within us.

The AR is made form 33 beads or knots, plus a cross or crucifix. The number 33 is a reminder of the Incarnation – the number of years Jesus lived among us.

The cross is a reminder of our identity as Christians, and of Jesus’ call to take up our own crosses and follow him. It speaks of the lengths God is willing to go to reach us. It is our entry into the circle of prayer.

The knot or bead above the cross is the Invitatory. It is an invitation to trust God; to offer our worship, our praise, our whole life.

When the rosary is laid out in a circle, the four larger beads or knots represent the points of the cross. They are the Cruciform knots. They also symbolize the four season – the sanctity of time –
and the four directions – the sanctity of creation. The circle is a symbol of God’s unending life and of our unity as Christians.

The four sets of seven knots are called Weeks. They symbolize our offering of time and lives. The number 7 is traditionally associated with completion and perfection in Hebrew and Christian mysticism. This is not static perfection, but the ongoing work of God in all of us.

The Prayers

Any prayers may be used with the AR. The examples in this booklet are suggestions only which have been compiled by myself, and can be adapted.

Scripture is the first resource for prayers. Hymns, writings from the mothers and fathers of the faith, prayers that rise from the yearning of your heart are all appropriate. It may be helpful at first to write down your prayer, but it will soon be in your heart and memory. Once your prayer is formed, it is wise to prayer it for several weeks before making any changes. May God bless and guide you in the circle of prayer.

Each of the Element

Begin on the Cross with a brief invocation – e.g. “in the Name of God: Father, Son, and Holy Spirit.” You may wish also to make the sign of the cross.

On the invitatory, you offer a prayer that summarizes your intention. Many find the Lord’s Prayer to be helpful here.

The Cruciform knots/beads serve as places of rest and remembering your intention, and should emphasize the purpose of your prayer.
The Weeks are the yearning of your heart toward God. The Weeks prayer should be concise. It is usual to pray three times around the circle of prayer, and then to return to the invitatory.

A repetition of the prayer you used on the invitatory at the beginning is appropriate, or some expression of thanksgiving.

End on the Cross with an offering of praise and thanksgiving. Give yourself a few moments, before and after, to be in silence with God. Rest, listen. Don’t rush into or away from your time of prayer. As you move on with your day, the prayer will go with you, and, in time, you may find that it continues to pray itself in you.

Gloria – Glory to the Father and to the Son and to the Holy Spirit: as it was in the beginning, is now, and will be for ever. Amen.

Gloria (alt) – Glory to God, Source of all being, eternal Word and Holy Spirit. as it was in the beginning, is now, and will be for ever. Amen.

Prayer is a deeply personal experience. It’s the very source of our spiritual strength and the place where we enter into that most sacred of conversations with our creator in the secret place.

The Anglican Rosary was created as a tool to help in that very scared of conversation. Its very presence can help to aid the prayer process for those who feel that they need structure to help “kick start” the conversation and those who are not used to free flowing prayer.

In this new title Rev Ashley G Liddington explores different types of Anglican rosary prayers.
